

Process Industry / Building Services

Project Management & Controls

- Project Management
- Project Controls
- Project Planning & Scheduling
- Cost Engineering
- Cost Control
- Cost Estimation

Construction Management

- Construction Management
- Construction Supervision
- Work Preparation
- Quantity Surveyor
- Cleaning Coordination

Procurement & Contracts

- Procurement Management
- Contract Management
- Project Procurement
- Expediting
- Supply Chain

Shutdown & TA Maintenance

- Turn Around / Shut Down Management
- TA Preparation
- Shutdown Scheduling
- Reliability engineering
- Maintenance Engineering

Engineering

- Project Engineering
- Process Engineering
- Piping Engineering
- Pipe Stress Engineering
- Electrical & Instrumentation Engineering
- Mechanical Engineering (Static & Rotating)
- HVAC Engineering
- Process Control Engineering
- Automation Engineering
- Civil/Structural Steel engineering

Commissioning

- Commissioning Management
- Commissioning Engineering
- Commissioning Coordination
- Commissioning Technician

Quality Assurance / Quality Control

- QA/QC Management
- QA/QC coordination
- Completion Management
- Turn-Over Management
- Equipment Inspection
- Welding Inspection
- Piping Inspection

Project Support

- Document Controls
- Project Administration
- Project Secretary

Warehouse & Logistics & Supply Chain

- Warehouse Management
- Warehouse Coordination
- Material Management
- Material Coordination
- Facility & Logistics coordination
- Supply Chain

QHSE

- QHSE Management
- QHSE Coordination
- QHSE Supervision
- Work Permit Coordination
- Operational Safety Training
- Environmental Management

Life Science

Engineering

- Electrical & Instrumentation
- Automation Engineering
- Piping (Clean & Black)
- Process Engineering (Clean & Black)
- Utilities Engineering (Clean & Black)
- Mechanical
- Civil
- Cleanroom Design & Construction
- Packaging Design & Engineering
- HVAC Engineering

Production

- Production Engineering
- Machine Design Engineering
- Cleanroom Engineering
- Validation Engineering
- QA Engineering
- QC Engineering
- ECO Validation
- Launch Excellence

Safety

- Safety Management
- Safety Coordination
- Safety Supervision

Product

- MSAT (Manufacturing Sciences And Technology)
- Analytical Testing / Cell Culture

Construction

- Construction Management
- Construction Supervision
- Construction Coordination

Maintenance

- Reliability engineering

Project Support

- Document Controls
- Project Administration
- Project Secretary

Engineering

- Electrical Engineer
- Mechanical Engineer
- Civil Engineer
- BIM Designer / Coordinator
- GIS Specialist
- SAP Specialist

Project Management

- Project Manager
- Project Leader
- Stakeholdermanager

Procurement & Contracts

- Procurement Management
- Contract Management
- Project Procurement
- Expediting

Construction

- Work Preperator
- Calculator
- Supervisor Infrastructure
- Quantity Surveryor
- Projectcoördinator
- Planner
- Civil Supervisor
- Supervisor Road and Ground works
- Electrical Supervisor

Project Support / Project Controls

- Cost Engineering
- Cost Control
- Cost Estimation
- Document Controls
- Project Administration
- Project Secretary
